

CITY MAY ORDER  
26 BLOCKS PAVED

COUNCIL TO MOVE FOR IMPROVEMENTS ON SEVEN STREETS.

GRADES ARE BEING  
ALREADY ESTABLISHED

Engineer F. L. Flynt Expects to Finish Survey Within Few Days—Urges Bituminous Concrete.

The paving of probably twenty-six city blocks on seven different streets of Maryville with bituminous concrete will likely be ordered done this spring by the city council, at a special session to be held within the next week. The grades for the entire paving is now being established by City Engineer F. L. Flynt and will be completed within a few days. The grades so far established will necessitate little change from the present grade, according to Engineer Flynt.

When this work has been completed the special session will be called. Then the council will be asked to pass resolutions ordering that such streets be paved with bituminous concrete, which would permit of either asphaltic or tar concrete.

## Owners Could Remonstrate.

After a publication of two weeks and ten days time is given in which remonstrances could be made by persons owning property abutting the streets to be ordered paved, the council would then probably pass ordinances making the paving improvements possible. Bids for the paving would then be advertised for.

The streets on which the grades are being established preparatory to being ordered paved are:

Fifth—Market to Wabash freight depot.

Mulberry—Thompson to Seventh and from Ninth to Twelfth.

Walnut—First to Tenth or Wabash station.

Ninth—Walnut to Mulberry.

Twelfth—Walnut to Mulberry.

South Market—Third to First or Jenkins.

South Main—Lincoln street 700 feet south.

Lincoln—Half block jog on Main street.

## Cheaper Than Brick.

While bituminous concrete paving will likely be ordered in the resolutions, any other kind of paving can be substituted by the property owners, Engineer Flynt explained, only that this form of paving is considered more economical. It costs between 50 cents and \$1 less per square yard, it is said, than vitrified brick paving.

The action of the city engineer and the city council was taken only after several weeks of "feeling around" by the councilmen and city officials, in which time, they came to the conclusion that a majority of the persons owning property along these twenty-six blocks, really desired paved streets but did not want to take the initiative in petitioning the city to order the improvements.

East Fourth street also may be paved this spring from Davis street to the Burlington station. The city now has about nine miles of paved streets.

## ROSCOE DEARMOND TO ST. LOUIS.

Former Maryville Young Man Receives Business Promotion.

Roscoe R. DeArmond of Kansas City, a son of Mr. and Mrs. S. J. DeArmond of East Third street, has recently moved to St. Louis, where he is in charge of the St. Louis office of the Russell Grain company of Kansas City. Mr. DeArmond has been with the company for some time in the Kansas City offices. He is now in full charge of the St. Louis branch.

## NORMAL SENIORS PLAN SHOW

Advance State Students to Give Real Circus March 26—Is Annual Event.

The senior class of the Normal school will give an old-time circus at the school on March 26.

The affair has come to be an annual event given by the senior class, and is one of the most popular of the student activities.

Everything which is typical of a circus has been planned by the class this year, from pink lemonade and all-day suckers to the family from the country and the fun makers in clown attire. There will be a big parade, headed by a brass band, to start the show off, in which every one connected with the affair will take part. Then the main show will commence and the ballyho for the numerous side attractions will be heard.

Each of the student organizations will be represented in the side shows and the faculty of the school will also put on one stunt.

Elaborate preparations are now being made for the show, which promises to be one of the best ever given by a senior class of the Normal.

## MANY SEE HIGH SCHOOL PLAY

"Pocahontas" by Boys in Indian Costumes Attracts Large Audience—To Buy Piano.

Nearly a packed house greeted the Boys' Glee club of the Maryville high school last night, when it put on the burlesque play "Pocahontas," to raise a fund for the purchase of a piano. The acting was excellent, at least the applause indicated it. In addition to the playlet several vaudeville acts were sandwiched in. All was given under the direction of Miss May Corwin.

An eight-piece orchestra of school boys furnished the music. It consists of Dean Humbert, Ralph Yehle and Don Roberts, violins; Hobson Pearson, cornet; Truman Barber, clarinet; George Lee Fleming, snare drum; Philip Colbert, bass drum; Ernest Moore, piano.

Those taking the leading parts in the play and their impersonations were: "Captain John Smith," Verne Pickens; "Powhattan," Donald Roberts; "John Rolfe," Claude Glass; "Mahogany," Kenneth Van Cleave; "Speckled Thunder," Lloyd Hartley; "Pocahontas," Harry Holmes; "Ann Eliza Brown," Forrest Gillam; "Medicine Man," Myron Baker.

## FIRE SWEEPS ILLINOIS CITY

Department Store Flames in Campaign Threatened Destruction of Business Section.

By American Press.  
Decatur, Ill., March 17.—A fire which started in a Main street department store in Champaign this morning threatens the destruction of the entire business section of the city. Several buildings were totally destroyed. Within a few hours neighboring cities had sent fire apparatus and conquered what looked to be one of the worst conflagrations Champaign has ever had.

## TO PLAY TARKIO HERE.

High School Basket Ball Team Will Meet Victors Friday Night.

The Maryville high school basket ball team, which was defeated by the Tarkio high school quintet at Tarkio by a score of 14 to 51 last week, will meet the victors on the Normal court here Friday night. The game is expected to begin at 8 o'clock.

The Tarkio team is rated as the strongest high school aggregation in this part of the state. It has the credit of humbling the St. Joseph teams recently.

## Here from Bolckow.

Mrs. F. I. Dunn of Bolckow came to Maryville yesterday to spend a few days visiting her sisters, Mrs. J. R. Brink and Mrs. W. C. Frank.

## AWARD 10 PRIZES

EXHIBITS AT PICKERING INSTITUTE JUDGED BY MISS BELL.

## HOLD MEET NEXT YEAR

Attendance Fairly Good at All Sessions—Bloomfield School Wins Special Premium for Display.

The special prize offered by County Superintendent Bert Cooper for the best general exhibit made by the rural schools at the farmers' institute held at Pickering yesterday was won by the Bloomfield school. The school is taught by Miss Laura Walton. The display was a remarkably fine and elaborate one. The prize offered was a framed carbon picture of Abraham Lincoln.

On account of the bad roads the school exhibits and the entries in the domestic science classes were not so large as had been expected, many rural schools and pupils being unable to get their displays placed.

Miss Eab Bell of the Missouri state university, who made an address yesterday morning before the women's club conference, acted as judge in the domestic science exhibit. No cash prizes were given, premium ribbons being the honors.

The awards were made as follows: Best loaf of bread, Mrs. Lon Fine, first; Mrs. J. M. Craven, second. Best pound of butter, Mrs. J. M. Craven, first. Best canned peaches, Mrs. C. R. Harmon, first. The H. H. club, which is composed of nine girls, had an exhibit of fancy needlework with which thirteen ribbons were won. Miss Lanta Moberly received first prize on an Irish centerpiece; Irwin Neal, first for best sofa pillow and rag rugs, and Miss Edith Jones, best on fancy sewing.

The afternoon meeting of the institute was devoted to agricultural talks. Prof. R. A. Kinnaird, instructor in agriculture in the Normal, and Prof. Bert Cooper each made addresses on subjects of particular interest to the farmers. The meetings were held in the Methodist church and the displays shown in the school house.

This institute closed the third annual one which has been held at Pickering. The affairs have been in every way successful and arrangements will be made later for the next spring's event.

## NEW YORK IRISH PARADE.

Over 15,000 Men, Including Irish Regiment and Girls Observe St. Patrick's Day.

By American Press.  
New York, March 17.—More than 15,000 men took part in a St. Patrick's day parade today through the main thoroughfares of New York. Two companies of cadets from Montreal, half a regiment of Irishmen from the west, in ancient Irish uniforms, and a company of girls dressed in white, wearing wide green sashes, besides various military organizations, also participated in the celebration of the Irish holiday.

## HELD FELLOWSHIP MEETING.

Culminating Event of Christian Revival Attended by Big Crowd.

The fellowship service held Monday night at the First Christian church was the culminating event of one of the most enthusiastic revivals ever held in the church.

The evangelist, the Rev. Charles A. Finch, made a short address, which was one of welcome for the new members received during the meetings. The remainder of the evening was devoted to getting acquainted and a short program was given and refreshments served. During the four weeks' service, 113 members were added to the church roll. One of the features of the revival was the singing of Harry O. Fritz, tenor, and Monday night he sang several song numbers.

## ALL HAIL TO ST. PATRICK!

"Nine hundred thousand vipers blue  
St. Patrick charmed with sweet discourses  
And dined on them at Killalor in soups and second courses.  
When blindworms crawling on the grass disgusted all the nation,  
He Gave them a rise and opened their eyes to a sense of the situation.  
The Wicklow Hills are very high and so's the Hill of Houth, sir;  
But there's a hill much higher still—aye, higher than them both, sir.  
'Twas on the top of this high hill St. Patrick preached the sacrament  
That drove the frogs into the bogs and bothered all the varmint."

## PLAN A ST. PATRICK'S DANCE.

Bars of Lent Thrown Down—Patrons to Wear the Green.

A dance to observe St. Patrick's day is to be held in the Woodmen of the World hall tonight, under the auspices of Mrs. Will Foster. A five-piece orchestra will furnish the dance music. Each patron is expected to be adorned with some green, either in clothing or decoration.

## Return from Indiana.

Thomas Taylor of West First street has returned to Maryville from an eighteen months' stay at Fort Wayne, Ind. Mrs. Taylor stopped for a few days' visit with relatives in Chicago and will return to Maryville the last of the week.

No one was injured and the battleship's boat was not damaged, they say.

## ALL LAUD NORMAL PLAYERS

State Papers High in Praise of Basket Ball Athletes Here.

Although the State Normal school basketball team lost the conference championship by the loss of the final game, the players individually and collectively, and Coach Walter Hanson, too, are highly praised by some of the larger papers of Missouri, among them being the St. Louis Republic, the Kansas City Star and the St. Joseph Gazette. The Republic says in part:

For the first time in the history of athletic relations between Maryville Normals, William Jewell of Liberty and Tarkio college, the Normals have been able to defeat the latter two fives. It was a notable achievement for the teachers, who had been striving toward that end for several seasons.

## Lands Individuals.

The Normals had a fighting team and had a good chance of winning the state championship until the final game. Vandersloot and Leech have done great work at guard position. Vandersloot is an aggressive basketball player and is lightning fast in passing the spheroid.

Leech plays a shifty game, his strongest point being his ability in handling the ball and shooting baskets from all angles of the field.

Scarlett proved a tower of strength at center and is one of the causes of the Maryville team's high standing in the league. The team was fortunate in having three excellent guards in the persons of Capt. Quinn, McClintock and Scott.

Scott had wonderful endurance and rarely was out of the game, while McClintock was cool and collected and was the equal of any Valley player in covering and getting the ball up the field.

Woodward, forward, and Ham, center, were the team substitutes, and proved to be men of ability. Walter Hanson, director of athletics, said it was one of the most evenly balanced teams he had ever coached, and the team's record bears him out in this contention.

One of the best pieces of work by this great machine was in the Missouri-Wesleyan game, when Scott, McClintock, Quinn and Woodward, alternating at guard positions, permitted the opposing forwards to make only two field goals.

Formerly was "Merely Tolerated."

The Kansas City Star said: Maryville placed a team on the floor this winter which was above their former standard. This fact was proven by their defeat of William Jewell and Tarkio on the Maryville floor. The teachers had a total of eight games, and early in the season they stood at the head of the conference, but this was soon lost, after the first four games were played at home. If Maryville had been able to defeat William Jewell in the last game of the season they would undoubtedly have won the premier honors, but the Jewells won by a comfortable margin, and the "teachers" were set back to fourth place.

The St. Joseph Gazette said.

In the past Maryville's importance as a contender for honors in any of the sports was merely tolerated. All the colleges have cleaned normal teams at basket ball, base ball and track for a long time. But the acquisition of Walter Hanson to act as coach of athletics has thrown an entirely new light upon things. Already Hanson has turned out a strong basketball team. He intends to put in a great deal of time upon a base ball team and expects to have a contender worthy the name.

ATLANTA AND FINGAL ARE ATTACKED, OFFICIALS ADMIT.

TURKS HIT CRUISER  
OF ATTACKING BRITS

Amethyst Is Struck in Dardanelles Straits and Many Are Killed—Bombarding Continues.

## By American Press.

London, March 17.—An official announcement was made today that the British steamers Atlanta and the Fingal had been torpedoed.

## Special to the Democrat-Forum.

London, March 17.—The British cruiser Amethyst was struck by the Turkish while it was assisting in the attack on the Dardanelles straits and 22 men were killed outright and about thirty wounded, according to a dispatch from Tenedos gives the casualties as 19 men. Another report gives the number killed at 28 officers and men.

The fire was made by a field artillery which surprised the attacking allied ship. It was at close range.

Two other badly damaged British cruisers have been taken to Malta, it is reported.

The allied bombardment of the Dardanelles forts continues without abatement, and a gradual advance is reported.

## REBUILD SERUM PLANT

Nodaway Valley Serum Co.'s Factory at Skidmore Now Operating.

The rebuilding of the plant of the Nodaway Valley Serum company at Skidmore, which was destroyed by fire January 3, has been finished, and they are now making serum. The new quarters are larger and the capacity of the plant is much larger. W. G. Gross of this city had the painting contract, there being over 4,000 feet of enameling.

The serum and virus departments are in separate buildings. In the old building they were in one building. The company is now operating under government license and inspection.

The plant of the Nodaway Valley Serum Co. is located about two and a half miles northeast of Skidmore. J. E. Strickler is president and Bert Strickler secretary-treasurer of the company.

### A CHILD'S LAXATIVE IS "SYRUP OF FIGS"

They Love to Take It and It Doesn't  
Harm the Tender Little Stomach,  
Liver and Bowels.

When your child suffers from a cold don't wait; give the little stomach, liver and bowels a gentle, thorough cleansing at once. When cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour bile and undigested food will gently move out of the bowels, and you have a well, playful child again.

If your child coughs, snuffles and has caught cold or is feverish or has a sore throat give a good dose of "California Syrup of Figs," to evacuate the bowels, no difference what other treatment is given.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company."

Thos. L. Peery has one of the most complete equipments around here. His houses and barn are both wired and lighted with electricity, and in addition he has an electric motor and iron to help Mrs. Peery with her work.

O. T. Anderson's farm house, just south of town, is lighted by electricity, as is the country home, two miles south. There is talk of farmers along that line extending the lights to their houses.

There is also talk among some of the prosperous farmers up the bottom road north of town having a line extended several miles out and have some of the houses and barns lighted by the city light plant. Since the plant has been enlarged and remodeled it is capable of furnishing power and light to citizens for several miles around and to some smaller towns.

## Cost of Going Cut in Two—Califor- nia Expositions

Get up a party and go to the California Expositions. The cost has been cut in two.

Let me help you do it and explain how to go comfortably and see the most on the way.

Don't plan to take the fastest train you can find, and travel tickety split. You want to be able to see and enjoy the scenery. Take it easy and be sure to go through Colorado on your way out, sit at ease in your Pullman car and look out hour after hour on that glorious scenic panorama of Mountains and Valleys. Famous Pike's Peak, the Royal Gorge, where, ages since, nature, in giant contortion, rent solid granite to make way for the wild and beautiful river which tosses through the backbone of the Rockies.

All those wonders you have heard tell of, and which you should see.

The Burlington Route (C. B. & Q. R.R.) runs Pullman sleeping cars directly past all these places in daylight. Denver, Colorado Springs, Pueblo, over the mountains, and through Salt Lake City, to San Francisco and Los Angeles. No change of cars and no extra charge if you go by the Burlington Route. You don't make a trip like this often! Why not make the most of it? Let me explain it all and help plan a trip to fit your particular needs. Write today.

## ALLIES ACTIVE ON BOTH WAR FRONTS

Operations in West Believed to  
Presage General Attack.

### RUSSIANS ARE ON OFFENSIVE

Report Successes in Carpathians and  
In Caucasus—Allied Fleet Continues  
Its Operations in Dardanelles and  
Off Smyrna.

### WAR SUMMARY

A crisis has been reached in the relations of Italy and the Teuton empires. Austria is unwilling to yield to the territorial demands of Italy, and Italy makes warlike demonstrations.

Meanwhile battles in the eastern and western war zones continue on a much more extensive scale than the official communications issued by the respective government would indicate.

Nothing of an official nature has been made public recently regarding the operations in the Dardanelles, but some unofficial dispatches indicate that the warships are meeting with a determined fire from the Turkish forts in their efforts to penetrate the straits.

London, March 17.—With the increasing activities of the British, French and Belgian armies, the reappearance on the coast of Belgium of British and French warships, and the time drawing near for a big effort in the west, the public is following with renewed interest the daily reports of the operations.

The Belgians, who are being supported by the warships of the allies, have consolidated the ground which they have won in the last few days while the British have done likewise with the strip of territory which they took from the Germans near Neuve Chapelle, and have recovered most, if not all, of the trenches which they lost in the region of St. Elloi.

Simultaneously, there has been heavy fighting north of Arras, in Champagne, in the Argonne and in the Vosges, in which both French and Germans claim to have been successful. All these operations are believed here to be preliminary to the general offensive which the allies will undertake when the ground dries, enabling a more rapid movement of troops and guns and the use of cavalry, which has been out of action all winter, except when the troops left their horses and took to the trenches.

The Russians on the eastern front are even more active than their western allies. The German offensive against Przemsynsk having failed to materialize, probably owing to the thaw which set in, the Russians have themselves undertaken the offensive, and, according to their own account, are advancing successfully along both banks of the Orze river and have occupied the village of Stegna.

### Russ Attacks Repelled.

The Germans, however, say that the Russian attacks have been repelled and that they captured 2,000 Russians. Along the ridges of the Carpathians and in eastern Galicia, the Russians report a series of successes against the Austro-German armies.

From unofficial sources it is learned that the Russians have resumed the offensive in Bukovina.

In the Caucasus, too, the Russians are again on the move and, according to all accounts from Petrograd, are pushing the Turks back along the coast of the Black sea.

The allied fleet continues its operations in the Dardanelles and off Smyrna, but no official report of the progress of the warships has been made for some days. The public is depending on reports from Athens for information. One of these reports says that the British cruiser Amethyst has penetrated the straits as far as Nagara. The cruiser is said to have been hit by three shells, there being a number of casualties among the crew. There is a belief in some quarters that the Turks will capitulate if the fleet gets through the straits, in order to save Constantinople from bombardment.

### BRITISH OFFICIAL REPORT

Semi-Weekly Statement Tells of Tak-  
ing of Leipsinette.

London, March 17.—The regular semi-weekly report on the progress of the fighting was given out by the British authorities. It reads:

"Since the last announcement of March 11, the operations in the neighborhood of Neuve Chapelle have been continued. The line captured to the east of that village has been consolidated and held in spite of repeated efforts on the part of the enemy to take it. A skillfully executed enterprise to the east of Armentieres resulted in the capture by us of the village of Leipsinette with small loss. The possession of this village advances our lines in this quarter 300 yards on a front 80 yards wide.

"The prisoners in our hands taken since March 11 number 1,700, of whom thirty are officers. Judging from the number of dead counted on the ground the total German losses during the operations from March 10 to March 13 on the Neuve Chapelle cannot be less than 17,000 or 18,000.

### WHITE CLOUD CALLS CAUCUS.

Democrats Will Choose Ticket at Davis  
School Saturday Afternoon.

A call for a caucus at the Davis school house, beginning at 2 o'clock next Saturday afternoon, has been issued by the Democratic committee of White Cloud township. Few persons of that section have yet signified their intention of running any race for a township office, so that the filling of the entire ticket apparently will be a man's job.

### To the Voters of Polk Township.

W. L. Robey is asking for the nomination for township collector on the Democratic ticket at the convention to be held Saturday, March 20, 1915, at 2:30 p. m.

Mr. Robey has lived in Maryville for the past fifteen years, and has never asked for an office before. Mr. Robey is a good, clean man and needs this office, owing to the misfortune he met with while janitor at the high school several years ago, being badly burned at that time, and will never fully recover, and I believe the people of Maryville and vicinity owe this office to him. Let us all come out Saturday afternoon and do what we can for him.

There probably isn't any reason at all why you should not have a good sized bank account.

When you have money in the bank there is a feeling of confidence as to your future welfare.

Very small amounts will grow surprisingly. Start saving that small change that you are practically throwing away, and in a year you will have an account that can be built into a fortune.

Many have already done this. You can have a bank account, too.

### Ladies' Aid to Meet.

The Ladies' Aid society of the First Methodist church will meet at 2:30 o'clock tomorrow afternoon with Mrs. Gilbert S. Cox at the parsonage.

### Mr. and Mrs. Frank Entertain.

Mr. and Mrs. Arch K. Frank were the hosts of a dinner party given last night, when they entertained Mr. and Mrs. G. B. Roseberry and daughter, Esther; Mr. and Mrs. Newton Hagles and son, Wesley, and Mr. and Mrs. Edward Egley and son, Loren.

### Society Plans Bazaar.

The Ladies' Aid society of the First Christian church are planning a spring bazaar to be held in the church parlors Tuesday, April 6. Spring necessities in house accessories, both for the housekeeper and the home, will be the feature of the sale. In addition to this a chicken pie dinner of the delicious sort which this society has served on previous occasions will be served at noon. The executive officers of the society are the special committee on arrangements.

### Club Writes to Absent Member.

One of the pleasurable incidents of the meeting of the Arts and Crafts department of the Twentieth century club, held at the home of Mrs. D. J. Thomas Monday afternoon was the writing of a club letter to Mrs. George P. Bellows, who, with her mother, Mrs. M. J. Honnold, is at San Diego, Cal., where they have spent the winter months. Twenty-three individual letters were written and mailed to the absent member.

### M. I. Circle Enjoys Program.

On account of the inability of many of the members to be present at the meeting of the M. I. Circle held yesterday at the home of Mrs. James Ray, the regular program prepared was dispensed with. Roll call responses were given with readings about "Women's Work and Influence," and these topics were elaborated upon, furnishing a profitable study and discussion for the afternoon. The next meeting will be at the home of Mrs. J. E. Melvin.

### Guild Entertained.

Miss Margaret Lee Winston and Miss Leona Willard were the hostesses at a meeting of the Westminster Guild held last night at the home of Miss Willard, on South Fillmore street. Mrs. S. D. Harkness was leader during the study hour and during the social hour Miss Nelle Hudson gave several piano numbers. A luncheon, carried out in green and white and in designs suggestive of a St. Patrick's celebration, was served. Miss Eva Vandersloot, Miss Nena Binghamian, Miss Dona Peters, Miss Juno

## Corsets Displayed on REAL WOMEN

A style event for women only, at this store, Friday Afternoon from 3:30 to 4:30

Through the kindness of Miss Elizabeth Shaull (acknowledged expert Figure Physician and corset fitter) we are enabled to give the ladies of Maryville and vicinity an opportunity to hear and see something of vital interest to all women. We have arranged to enclose our Ready-to-Wear department and install ample seating capacity to accommodate all, and on Friday afternoon from 3:30 to 4:30 p. m., Miss Shaull will give a lecture on the proper ways of fitting, wearing and lacing of corsets, and as to the models that should be worn. During this lecture Miss Shaull, will make fittings on living models as a practical illustration of what she has to say to you. This is an opportunity not often afforded this sized community, as Miss Shaull has been giving these lectures only at larger places such as Chicago, Denver, Lincoln, etc., and you should count it a privilege to hear her.

A feature that has not been offered even the larger places, is that Miss Shaull will use herself as a model in demonstrating the proper way of a woman getting into and out of her own corset. Both the front and back lace style will be used.

Business will be suspended in the Ready-to-Wear department during this hour. Make arrangements to attend.

Jones and Misses Ida and Pearl Barton were guests of the Guild for the evening.

### St. Patrick's Dinner Party.

Mrs. Ella Shipp entertained the party of people who board at her home with a St. Patrick's dinner at noon today. The table was centered with a cluster of green and white carnations, and the colors of green and white were observed in all the details of service and menu. St. Patrick's symbols were used as place cards and for souvenirs. Miss Marie Shipp and Miss Gladys Owen gave a song program of Irish melodies. Plates were laid for Mrs. S. F. McCrary, Miss Ida Label, Miss Minda Ramlage, Mrs. Katherine Miller and daughter, Leola; Miss Shipp, Miss Owen, A. C. Hogg, Albert Berlin, Prof. Bert Cooper, Walter Schoonover, Frank Reavis, Charles Massie and the hostess.

### Cornell-Ray.

Miss Clara May Cornell of Alamosa, Col., and Mr. Theodore Tomkins Ray of Slater, Wyo., both former Maryville people, were married March 11, at Cheyenne, Wyo. The marriage service was read by the Rev. Leon C. Hillis, pastor of the First Presbyterian church of Cheyenne. The ceremony was witnessed by the bride's father, L. J. Cornell of Alamosa; Mrs. Pearl Garton and Lester Garton of Cheyenne. Mr. Ray and his bride will be at home to their friends at 202 East Sixteenth street, Cheyenne, in a cottage which had been previously furnished for their occupancy. The wedding is of interest to a wide circle of friends of the newly weds in this city. The groom is the son of Mr. and Mrs. James W. Ray of 403 South Main street. He

## Bothered by Colds or Croup? Present Coupon to Druggist

Good for One 25c Package Free of the New "External" Vapor Treatment, That Relieves Colds Over Night—Croup in Fifteen Minutes.

Applied Over Throat and Chest, It Is Inhaled as a Vapor and Absorbed Through the Skin.

Arrangements have been made for druggists to give away free a limited number of 25-cent packages of the new "external" treatment for all cold troubles, recently introduced here from North Carolina. A number of druggists have already received their shipments and are giving away free packages to their customers. If your druggist has not yet received his supply, present this coupon at once and ask him to reserve you your free package. As the free supply with each druggist is limited it is advisable to present your coupon early.

This new treatment, Vick's "Vap-O-Rub" Croup and Pneumonia Salve, relieves croup and cold troubles by external application. There is no need to "dose the stomach" with injurious medicines. Its use is especially recommended to mothers with small children, as Vick's can be used as often and as freely as wished without disturbing the delicate stomach of the little child.

Apply Vick's over the throat and chest in severe cases covering with a warm flannel cloth. The heat of the body releases soothing, antiseptic, vapors that are inhaled with every breath at the same time Vick's is absorbed through the skin, taking out the tightness and soreness.

For all bronchial and catarrhal troubles, sore throat, hoarseness and difficult breathing, this new treatment will be found wonderfully effective. It is a positive preventive of pneumonia in its early stages, and in advanced cases the medicated vapors inhaled loosen the phlegm and ease the difficult breathing.

The local druggists are selling this new treatment in 25c, 50c and \$1.00 jars on 30 days' trial. With each purchase there is given a refund blank good for your money back if you are not delighted with the results.

Mothers especially should not delay in getting their free packages. Remember, this coupon is good only if presented in person to your regular druggist. No coupons presented by children will be honored.

Among the druggists who are giving away free packages are the following: O'Neal-Henry Drug Co., Koch Pharmacy.

### Coupon No. 7.

Good for one 25-cent package of Vick's "Vap-O-Rub" free, as long as the free supply lasts. If your druggist has given away all his free packages, but a jar on 30 days' trial.

During a short business meeting a unanimous vote was given for a continuation of the study of Japan next year. The study of the afternoon was devoted to the women of Japan. "Japanese Girls" was the subject of a reading given by Mrs. R. W. Pettit, and "The Position of Women in Japan" was given by Mrs. W. R. Jackson. Mrs. R. L. McDougal gave two splendid readings on the subject "The New and True Japanese Women and Society, Journalism and Club Life of Japan." Mrs. Orear read some selections from "The Lady of Decoration," and also a short story, "So is My Life and an Immigrant." The Rev. Gilbert Sille gave four solos from "The Cycle of Eiland," by Alexander Von Flitzyon. Mr. Cox was accompanied by Miss Alice Porter. The music was an unexpected pleasure to the members, and was highly enjoyed. Mrs. H. C. Burnett of Red Oak, Ia., who is visiting her sister, Mrs. R. W. Pettit, was a visiting guest.

### ASK FOR REHEARING

Express Companies Assert Present Rates Have Been Disastrous.

Washington, March 17.—Representatives of the American, Adams, Southern and Wells-Fargo Express companies asked leave of the interstate commerce commission to file a petition for rehearing of the express rate case. It declared that the low rates in force prescribed by the commission have been "disastrous."

Commissioner Clark announced that the petition would be received and that the commission would consider the application for a rehearing. The petition sets forth that the first ten months' operation under the new rates had brought the four companies a deficit of \$2,750,834.

A specific request was made for a hearing and a modification of the commission's general order, "by increasing the terminal allowance from 20 to 25 cents per shipment and reducing the weight allowance from 25 to 20 cents per 100 pounds."

### Robey's Voters of Polk Township.

Robey is asking for the nomination for township collector on the ticket at the convention to be held Saturday, March 20, 1915, at

Robey has lived in Maryville for fifteen years, and has never held an office before. Mr. Robey is a splendid reader on the subject "The New and True Japanese Women and Society, Journalism and Club Life of Japan."

Mrs. Orear read some selections from "The Lady of Decoration," and also a short story, "So is My Life and an Immigrant." The Rev. Gilbert Sille gave four solos from "The Cycle of Eiland," by Alexander Von Flitzyon.

Mr. Cox was accompanied by Miss Alice Porter. The music was an unexpected pleasure to the members, and was highly enjoyed. Mrs. H. C. Burnett of Red Oak, Ia., who is visiting her sister, Mrs. R. W. Pettit, was a visiting guest.

GEORGE BICKETT.

### WIFE GETS DEMOTT ESTATE.

Proof of Former County Clerk's Will Obtained at St. Joseph and Minneapolis.

Although the will of George W. Demott, who died last month, was recorded in probate court February 22, it was not until today that Probate Judge W. H. Conn was enabled to get entire proof of witnesses to the will. It was necessary to send to St. Joseph for the testimony of Albert J. Bronswick, and to Minneapolis, Minn., for that of Charles G. Ferguson, the other witnesses.

By the terms of the will, which was made December 8, 1913, the wife, Belle Demott, gets the entire estate unless she marries, when two-thirds shall go to the three children equally and one-third to the wife. Mrs. Demott will probably be appointed administratrix today.

### Card of Thanks.

I wish to thank all my neighbors and friends for the kindness, sympathy and love shown me at the death and burial of my husband.

MRS. S. A. PRICKETT.

CITY MAY ORDER  
26 BLOCKSPAVED

COUNCIL TO MOVE FOR IMPROVEMENTS ON SEVEN STREETS.

GRADES ARE BEING  
ALREADY ESTABLISHED

Engineer F. L. Flynt Expects to Finish Survey Within Few Days—Urges Bituminous Concrete.

The paving of probably twenty-six city blocks on seven different streets of Maryville with bituminous concrete will likely be ordered done this spring by the city council, at a special session to be held within the next week. The grades for the entire paving is now being established by City Engineer F. L. Flynt and will be completed "thin a few days. The grades so far established will necessitate of little change from the present grade, according to Engineer Flynt.

When this work has been completed the special session will be called. Then the council will be asked to pass resolutions ordering that such streets be paved with bituminous concrete, which would permit of either asphaltic or tar concrete.

## Owners Could Remonstrate.

After a publication of two weeks and ten days time is given in which remonstrances could be made by persons owning property abutting the streets to be ordered paved, the council would then probably pass ordinances making the paving improvements possible. Bids for the paving would then be advertised for.

The streets on which the grades are being established preparatory to being ordered paved are:

Fifth—Market to Wabash freight depot.

Mulberry—Thompson to Seventh and from Ninth to Twelfth.

Walnut—First to Tenth or Wabash station.

Ninth—Walnut to Mulberry.

Twelfth—Walnut to Mulberry.

South Market—Third to First or Jenkins.

South Main—Lincoln street 700 feet south.

Lincoln—Half block jog on Main street.

## Cheaper Than Brick.

While bituminous concrete paving will likely be ordered in the resolutions, any other kind of paving can be substituted by the property owners, Engineer Flynt explained, only that this form of paving is considered more economical. It costs between 50 cents and \$1 less per square yard, it is said, than vitrified brick paving.

The action of the city engineer and the city council was taken only after several weeks of "feeling around" by the councilmen and city officials, in which time, they came to the conclusion that a majority of the persons owning property along these twenty-six blocks, really desired paved streets but did not want to take the initiative in petitioning the city to order the improvements.

East Fourth street also may be paved this spring from Davis street to the Burlington station. The city now has about nine miles of paved streets.

## NORMAL SENIORS PLAN SHOW

Advance State Students to Give Real Circus March 26—Is Annual Event. The senior class of the Normal school will give an old-time circus at the school on March 26.

The affair has come to be an annual event given by the senior class, and is one of the most popular of the student activities.

Everything which is typical of a circus has been planned by the class this year, from pink lemonade and all-day suckers to the family from the country and the fun makers in clown attire. There will be a big parade, headed by a brass band, to start the show off, in which every one connected with the affair will take part. Then the main show will commence and the ballyho for the numerous side attractions will be heard.

Each of the student organizations will be represented in the side shows and the faculty of the school will also put on one stunt.

Elaborate preparations are now being made for the show, which promises to be one of the best ever given by a senior class of the Normal.

## MANY SEE HIGH SCHOOL PLAY

"Pocahontas" by Boys in Indian Costumes Attracts Large Audience—To Buy Piano.

Nearly a packed house greeted the Boys' Glee club of the Maryville high school last night, when it put on the burlesque play "Pocahontas," to raise a fund for the purchase of a piano. The acting was excellent, at least the applause indicated it. In addition to the playlet several vaudeville acts were sandwiched in. All was given under the direction of Miss May Corwin.

An eight-piece orchestra of school boys furnished the music. It consists of Dean Hubbard, Ralph Yehle and Don Roberts, violins; Hobson Pearson, cornet; Truman Barber, clarinet; George Lee Fleming, snare drum; Philip Colbert, bass drum; Ernest Moore, piano.

Those taking the leading parts in the play and their impersonations were: "Captain John Smith," Verne Pickens; "Powhattan," Donald Roberts; "John Rolfe," Claude Glass; "Mahogany," Kenneth Van Cleave; "Speckled Thunder," Lloyd Hartley; "Pocahontas," Harry Holmes; "Ann Eliza Brown," Forrest Gilliam; "Medicine Man," Myron Baker.

## FIRE SWEEPS ILLINOIS CITY

Department Store Flames in Campaign Threatened Destruction of Business Section.

By American Press. Decatur, Ill., March 17.—A fire which started in a Main street department store in Champaign this morning threatens the destruction of the entire business section of the city. Several buildings were totally destroyed. Within a few hours neighboring cities had sent fire apparatus and conquered what looked to be one of the worst conflagrations Champaign has ever had.

## TO PLAY TARKIO HERE.

High School Basketball Team Will Meet Victors Friday Night.

The Maryville high school basketball team, which was defeated by the Tarkio high school quintet at Tarkio by a score of 14 to 51 last week, will meet the victors on the Normal court here Friday night. The game is expected to begin at 8 o'clock.

The Tarkio team is rated as the strongest high school aggregation in this part of the state. It has the credit of lumbing the St. Joseph teams recently.

## AWARD 10 PRIZES

EXHIBITS AT PICKERING INSTITUTE JUDGED BY MISS BELL.

## HOLD MEET NEXT YEAR

Attendance Fairly Good at All Sessions—Bloomfield School Wins Special Premium for Display.

The special prize offered by County Superintendent Bert Cooper for the best general exhibit made by the rural schools at the farmers' institute held at Pickering yesterday was won by the Bloomfield school. The school is taught by Miss Laura Walton. The display was a remarkably fine and elaborate one. The prize offered was a framed carbon picture of Abraham Lincoln.

On account of the bad roads the school exhibits and the entries in the domestic science classes were not so large as had been expected, many rural schools and pupils being unable to get their displays placed.

Miss Eab Bell of the Missouri state university, who made an address yesterday morning before the women's club conference, acted as judge in the domestic science exhibit. No cash prizes were given, premium ribbons being the honors.

The awards were made as follows: Best loaf of bread, Mrs. Lon Fine, first; Mrs. J. M. Craven, second. Best pound of butter, Mrs. J. M. Craven, first. Best canned peaches, Mrs. C. R. Harmon, first. The H. H. club, which is composed of nine girls, had an exhibit of fancy needlework with which thirteen ribbons were won. Miss Lanta Moberly received first prize on an Irish centerpiece. Irwin Neal, first for best sofa pillow and rag rugs, and Miss Edith Jones, best on fancy sewing.

The afternoon meeting of the institute was devoted to agricultural talks. Prof. R. A. Kinnaird, instructor in agriculture in the Normal, and Prof. Bert Cooper each made addresses on subjects of particular interest to the farmers. The meetings were held in the Methodist church and the displays shown in the school house.

This institute closed the third annual one which has been held at Pickering. The affairs have been in every way successful and arrangements will be made later for the next spring's event.

## NEW YORK IRISH PARADE.

Over 15,000 Men, Including Irish Regiment and Girls Observe St. Patrick's Day.

By American Press. New York, March 17.—More than 15,000 men took part in a St. Patrick's day parade today through the main thoroughfares of New York. Two companies of cadets from Montreal, half a regiment of Irishmen from the west, in ancient Irish uniforms, and a company of girls dressed in white, wearing wide green sashes, besides various military organizations, also participated in the celebration of the Irish holiday.

## HELD FELLOWSHIP MEETING.

Culminating Event of Christian Revival Attended by Big Crowd.

The fellowship service held Monday night at the First Christian church was the culminating event of one of the most enthusiastic revivals ever held in the church.

The evangelist, the Rev. Charles A. Finch, made a short address, which was one of welcome for the new members received during the meetings. The remainder of the evening was devoted to getting acquainted and a short program was given and refreshments served. During the four weeks' service, 113 members were added to the church roll. One of the features of the revival was the singing of Harry O. Fritz, tenor, and Monday night he sang several song numbers.

## ALL HAIL TO ST. PATRICK!

"Nine hundred thousand vipers blue  
St. Patrick charmed with sweet  
discourses  
And dined on them at Killaroy in  
soups and second courses.  
When blindworms crawling on  
the grass disgusted all the  
nation,  
He gave them a rise and opened  
their eyes to a sense of the  
situation.  
The Wicklow Hills are very high  
and so's the Hill of Houth, sir;  
But there's a hill much higher  
still—aye, higher than them  
both, sir.  
'Twas on the top of this high hill  
St. Patrick preached the sarmint  
That drove the frogs into the  
bogs and bothered all the varmint."

## PLAN A ST. PATRICK'S DANCE.

Bars of Lent Thrown Down—Patrons to Wear the Green.

A dance to observe St. Patrick's day is to be held in the Woodmen of the World hall tonight, under the auspices of Mrs. Will Foster. A five-piece orchestra will furnish the dance music. Each patron is expected to be adorned with some green, either in clothing or decoration.

## MILITARY IN FORCE

MEXICAN PROVISIONAL PRESIDENT PROCLAIMS MARTIAL LAW.

## WOULD PROTECT PUBLIC

Garza Pledges Himself in Long Statement to Use Precautions to Assure Safety to Residents.

By American Press.

Mexico City, March 17.—A lengthy statement, in which he pledges himself to take every possible precaution to assure the safety of the public in Mexico City, was issued last night by Provisional President Garza. In this he declares conditions have become better and that every safeguard expedient will be used to insure the peace of the residents here.

The proclaiming of martial law within the Mexican capital today, also was promised by President Garza.

## Omaha Visitor Here.

Mrs. Henry Bock of Omaha, Neb., arrived in Maryville yesterday to spend a few days visiting her uncle and aunt, Mr. and Mrs. Charles McNeal. She will also visit her sister, Miss Doris Pinnell, who makes her home with the McNeal family while attending school.

## Mr. and Mrs. Douglas Home.

Mr. and Mrs. Jesse Douglas have returned from an extended visit in southern California and the west.

## MEXICO FIRE ON U. S. BOAT

Snipers Used Battleship Delaware's Tender as Target Near Vera Cruz, Passengers Say.

Special to the Democrat-Forum. Galveston, Texas, March 17.—Mexican snipers at Vera Cruz fired at the tender of the U. S. battleship Delaware as it entered and departed March 10, according to passengers who have arrived here on the Norwegian ship City of Tampico. No one was injured and the battleship's boat was not damaged, they say.

## ALL LAUD NORMAL PLAYERS

State Papers High in Praise of Basketball Athletes Here.

Although the State Normal school basketball team lost the conference championship by the loss of the final game, the players individually and collectively, and Coach Walter Hanson, too, are highly praised by some of the larger papers of Missouri, among them being the St. Louis Republic, the Kansas City Star and the St. Joseph Gazette. The Republic says in part:

For the first time in the history of athletic relations between Maryville Normals, William Jewell of Liberty and Tarkio college, the Normals have been able to defeat the latter two fives. It was a notable achievement for the teachers, who had been striving to ward that end for several seasons.

## Lauds Individuals.

The Normals had a fighting team and had a good chance of winning the state championship until the final game. Vandersloot and Leech have done great work at guard position. Vandersloot is an aggressive basketball player and is lightning fast in passing the sphere.

Leech plays a shifty game, his strongest point being his ability in handling the ball and shooting baskets from all angles of the field.

Scarlett proved a tower of strength at center and is one of the causes of the Maryville team's high standing in the league. The team was fortunate in having three excellent guards in the persons of Capt. Quinn, McClintock and Scott.

Scarlett had wonderful endurance and rarely was out of the game, while McClintock was cool and collected and was the equal of any Valley player in covering and getting the ball up the field.

Woodward, forward, and Ham, center, were the team substitutes, and proved to be men of ability. Walter Hanson, director of athletics, said it was one of the most evenly balanced teams he had ever coached, and the team's record bears him out in this contention.

One of the best pieces of work by this great machine was in the Missouri-Wesleyan game, when Scott, McClintock, Quinn and Woodward, alternating at guard positions, permitted the opposing forwards to make only two field goals.

Formerly Was "Merely Tolerated."

The Kansas City Star said: Maryville placed a team on the floor this winter which was above their former standard. This fact was proven by their defeat of William Jewell and Tarkio on the Maryville floor. The teachers had a total of eight games, and early in the season they stood at the head of the conference, but this was soon lost, after the first four games were played at home. If Maryville had been able to defeat William Jewell in the last game of the season they would undoubtedly have won the premier honors, but the Jewells won by a comfortable margin, and the "teachers" were set back to fourth place.

The St. Joseph Gazette said:

In the past Maryville's importance as a contender for honors in the importance of the sports was merely tolerated. All the colleges have cleaned normal teams at basketball, base ball and track for a long time. But the acquisition of Walter Hanson to act as coach of athletics has thrown an entirely new light upon things. Already Hanson has turned out a strong basketball team. He intends to put in a great deal of time upon a base ball team and expects to have a contender worthy the name.

## Has Two Occupations.

TORPEDO 2 MORE  
BRITISH STEAMERS

ATLANTA AND FINGAL ARE ATTACKED, OFFICIALS ADMIT.

TURKS HIT CRUISER  
OF ATTACKING BRITS

Amethyst is Struck in Dardanelles Straits and Many Are Killed—Bombarding Continues.

By American Press.

London, March 17.—An official announcement was made today that the British steamers Atlanta and the Fingal had been torpedoed.

## Special to the Democrat-Forum.

London, March 17.—The British cruiser Amethyst was struck by the Turkish while it was assisting in the attack on the Dardanelles straits and 22 men were killed outright and about thirty wounded, according to a dispatch from Tenedos gives the casualties as 19 men. Another report gives the number killed at 28 officers and men.

The fire was made by a field artillery which surprised the attacking allied ship. It was at close range. Two other badly damaged British cruisers have been taken to Malta, it is reported.

The allied bombardment of the Dardanelles forts continues without abatement, and a gradual advance is reported.

## REBUILD SERUM PLANT

Nodaway Valley Serum Co.'s Factory at Skidmore Now Operating.

The rebuilding of the plant of the Nodaway Valley Serum company at Skidmore, which was destroyed by fire January 3, has been finished, and they are now making serum. The new quarters are larger and the capacity of the plant is much larger. W. G. Gross of this city had the painting contract, there being over 4,000 feet of enamel.

The serum and virus departments are in separate buildings. In the old building they were in one building. The company is now operating under government license and inspection.

The plant of the Nodaway Valley Serum Co. is located about two and a half miles northeast of Skidmore. J. E. Strickler is president and Bert Strickler secretary-treasurer of the company.

## APPEALS REPLEVIN SUIT.

Fred Wright Dissatisfied With Burlington Justice Verdict—Joseph Kempf, Defendant.

A suit filed by Fred Wright against Joseph Kempf and others, for the return of two horses, which resulted in a verdict against Wright in Justice John A. Barr's court at Burlington Junction recently, was filed on appeal by Wright in circuit court here today. Wright seeks the possession of the two horses and \$50 damages for their detention.

### A CHILD'S LAXATIVE IS "SYRUP OF FIGS"

They Love to Take It and It Doesn't  
Harm the Tender Little Stomach,  
Liver and Bowels.

When your child suffers from a cold  
don't wait; give the little stomach,  
liver and bowels a gentle, thorough  
cleansing at once. When cross, peev-  
ish, listless, pale, doesn't sleep, eat or  
act naturally; if breath is bad, stom-  
ach sour, give a teaspoonful of "Cal-  
ifornia Syrup of Figs," and in a few  
hours all the clogged-up, constipated  
waste, sour bile and undigested food  
will gently move out of the bowels,  
and you have a well, playful child  
again.

If your child coughs, snuffles and  
has caught cold or is feverish or has  
a sore throat give a good dose of "Cal-  
ifornia Syrup of Figs," to evacuate the  
bowels, no difference what other  
treatment is given.

Sick children needn't be coaxed to  
take this harmless "fruit laxative."  
Millions of mothers keep it handy be-  
cause they know its action on the  
stomach, liver and bowels is prompt  
and sure. They also know a little  
given today saves a sick child to-  
morrow.

Ask your druggist for a 50-cent bot-  
tle of "California Syrup of Figs,"  
which contains directions for babies,  
children of all-ages and for grown-ups  
plainly on the bottle. Beware of coun-  
terfeits sold here. Get the genuine,

Thos. L. Peery has one of the most  
complete equipments around here. His  
houses and barn are both wired and  
lighted with electricity, and in addi-  
tion he has an electric motor and iron  
to help Mrs. Peery with her work.

O. T. Anderson's farm house, just  
south of town, is lighted by electricity,  
as is the country home, two miles  
south. There is talk of farmers along  
that line extending the lights to their  
houses.

There is also talk among some of  
the prosperous farmers up the bottom  
road north of town having a line ex-  
tended several miles out and have  
some of the houses and barns lighted  
by the city light plant. Since the  
plant has been enlarged and remodeled  
it is capable of furnishing power and  
light to citizens for several miles  
around and to some smaller towns.

## ALLIES ACTIVE ON BOTH WAR FRONTS

Operations in West Believed to  
Presage General Attack.

### RUSSIANS ARE ON OFFENSIVE

Report Successes in Carpathians and  
In Caucasus—Allied Fleet Continues  
Its Operations in Dardanelles and  
Off Smyrna.

### WAR SUMMARY

A crisis has been reached in the re-  
lations of Italy and the Teuton em-  
pires. Austria is unwilling to yield  
to the territorial demands of Italy  
and Italy makes warlike demonstra-  
tions.

Meanwhile battles in the eastern and  
western war zones continue on a  
much more extensive scale than the  
official communications issued by  
the respective government would  
indicate.

Nothing of an official nature has been  
made public recently regarding the  
operations in the Dardanelles, but  
some unofficial dispatches indicate  
that the warships are meeting with  
a determined fire from the Turkish  
forts in their efforts to penetrate  
the straits.

London, March 17.—With the in-  
creasing activities of the British,  
French and Belgian armies, the reap-  
pearance on the coast of Belgium of  
British and French warships, and the  
time drawing near for a big effort in  
the west, the public is following with  
renewed interest the daily reports of  
the operations.

The Belgians, who are being sup-  
ported by the warships of the allies,  
have consolidated the ground which  
they have won in the last few days,  
while the British have done likewise  
with the strip of territory which they  
took from the Germans near Neuve  
Chapelle, and have recovered most, if  
not all, of the trenches which they  
lost in the region of St. Eloi.

Simultaneous, there has been  
heavy fighting north of Arras, in  
Champagne, in the Argonne and in  
the Vosges, in which both French and  
Germans claim to have been success-  
ful. All these operations are believed  
here to be preliminary to the general  
offensive which the allies will under-  
take when the ground dries, enabling  
a more rapid movement of troops and  
guns and the use of cavalry, which  
has been out of action all winter, ex-  
cept when the troops left their  
horses and took to the trenches.

The Russians on the eastern front  
are even more active than their west-  
ern allies. The German offensive  
against Przemyśl having failed to ma-  
terialize, probably owing to the thaw  
which set in, the Russians have them-  
selves undertaken this offensive, and  
according to their own account, are  
advancing successfully along both  
banks of the Crzye river and have  
occupied the village of Stegna.

Russ Attacks Repelled.  
The Germans, however, say that the  
Russian attacks have been repelled  
and that they captured 2,000 Russians.  
Along the ridges of the Carpathians  
and in eastern Galicia, the Russians  
report a series of successes against  
the Austro-German armies.

From unofficial sources it is learned  
that the Russians have resumed the  
offensive in Bukovina.

In the Caucasus, too, the Russians  
are again on the move and, according  
to all accounts from Petrograd, are  
pushing the Turks back along the  
coast of the Black sea.  
The allied fleet continues its opera-  
tions in the Dardanelles and off Smyr-  
na, but no official report of the pro-  
gress of the warships has been made  
for some days. The public is depend-  
ing on reports from Athens for in-  
formation. One of these reports says  
that the British cruiser Amethyst has  
penetrated the straits as far as Na-  
gara. The cruiser is said to have been  
hit by three shells, there being a  
number of casualties among the crew.  
There is a belief in some quarters  
that the Turks will capitulate if the  
fleet gets through the straits, in order  
to save Constantinople from bombard-  
ment.

### BRITISH OFFICIAL REPORT

Semi-Weekly Statement Tells of Tak-  
ing of Leipinette.

London, March 17.—The regular  
semi-weekly report on the progress of  
the fighting was given out by the British  
authorities. It reads:

"Since the last announcement of  
March 11, the operations in the neigh-  
borhood of Neuve Chapelle have been  
continued. The line captured to the  
east of that village has been consoli-  
dated and held in spite of repeated ef-  
forts on the part of the enemy to take  
it. A skillfully executed enterprise to  
the east of Armentieres resulted in  
the capture by us of the village of  
Leipinette with small loss. The pos-  
session of this village advances our  
lines in this quarter 300 yards on a  
front 80 yards wide.

"The prisoners in our hands taken  
since March 11 number 1,700, of whom  
thirty are officers. Judging from the  
number of dead counted on the ground  
the total German losses during the  
operations from March 10 to March 13  
on the Neuve Chapelle cannot be less  
than 17,000 or 18,000.

A call for a caucus at the Davis

tion for township collector on the  
Democratic ticket at the convention to  
be held Saturday, March 20, 1915, at  
2:30 p. m.

Mr. Robey has lived in Maryville for  
the past fifteen years, and has never  
asked for an office before. Mr. Robey  
is a good, clean man and needs this  
office, owing to the misfortune he met  
with while janitor at the high school  
several years ago, being badly burned  
at that time, and will never fully re-  
cover, and I believe the people of  
Maryville and vicinity owe this office  
to him. Let us all come out Saturday  
afternoon and do what we can for him.

## Wake Up

There probably isn't any reason  
at all why you should not have  
a good sized bank account.

When you have money in the  
bank there is a feeling of confi-  
dence as to your future welfare.

Very small amounts will grow  
surprisingly. Start saving that  
small change that you are prac-  
tically throwing away, and in a  
year you will have an account  
that can be built into a fortune.

Many have already done this.  
You can have a bank account,

one so far announced yet, however, is  
William Fannon, who will try for re-

One of the pleasurable incidents of the meeting of the Arts and Crafts department of the Twentieth Century club, held at the home of Mrs. D. J. Thomas Monday afternoon was the writing of a club letter to Mrs. George P. Bellows, who, with her mother, Mrs. M. J. Honnold, is at San Diego, Cal., where they have spent the winter months. Twenty-three individual letters were written and mailed to the absent member.

### M. I. Circle Enjoys Program.

On account of the inability of many of the members to be present at the meeting of the M. I. Circle held yesterday at the home of Mrs. Jane Ray, the regular program prepared was dispensed with. Roll call responses were given with readings about "Women's Work and Influence," and these topics were elaborated upon, furnishing a profitable study and discussion for the afternoon. The next meeting will be at the home of Mrs. J. E. Melvin.

## Corsets Displayed on REAL WOMEN

A style event for women only, at this store, Friday Afternoon from 3:30 to 4:30

Through the kindness of Miss Elizabeth Shaul (acknowledged expert Figure Physician and corset fitter) we are enabled to give the ladies of Maryville and vicinity an opportunity to hear and see something of vital interest to all women. We have arranged to enclose our Ready-to-Wear department and install ample seating capacity to accommodate all, and on Friday afternoon from 3:30 to 4:30 p. m., Miss Shaul will give a lecture on the proper ways of fitting, wearing and lacing of corsets, and as to the models that should be worn. During this lecture Miss Shaul, will make fittings on living models as a practical illustration of what she has to say to you. This is an opportunity not often afforded this sized community, as Miss Shaul has been giving these lectures only at larger places such as Chicago, Denver, Lincoln, etc., and you should count it a privilege to hear her.

A feature that has not been offered even the larger places, is that Miss Shaul will use herself as a model in demonstrating the proper way of a woman getting into and out of her own corset. Both the front and back lace style will be used.

Business will be suspended in the Ready-to-Wear department during this hour. Make arrangements to attend.

Jones and Misses Ida and Pearl Barton were guests of the Guild for the evening.

### St. Patrick's Dinner Party.

Mrs. Ella Shipps entertained the party of people who board at her home with a St. Patrick's dinner at noon today. The table was centered with a cluster of green and white carnations, and the colors of green and white were observed in all the details of service and menu. St. Patrick's symbols were used as place cards and for souvenirs. Miss Marie Shipps and Miss Gladys Owen gave a song program of Irish melodies. Plates were laid for Mrs. S. F. McCrary, Miss Ida Label, Miss Minda Ramlage, Mrs. Katherine Miller and daughter, Leeta; Miss Shipps, Miss Owen, A. C. Hogg, Albert Berlin, Prof. Bert Cooper, Walter Schoonover, Frank Reavis, Charles Massie and the hostess.

### Cornell-Ray.

Miss Clara May Cornell of Alamogosa, Col., and Mr. Theodore Tomkins Ray of Slater, Wyo., both former Maryville people, were married March 11, at Cheyenne, Wyo. The marriage service was read by the Rev. Leon C. Hillis, pastor of the First Presbyterian church of Cheyenne. The ceremony was witnessed by the bride's father, L. J. Cornell of Alamogosa; Mrs. Pearl Gatten and Lester Gatten of Cheyenne. Mr. Ray and his bride will be at home to their friends at 202 East Sixteenth street, Cheyenne, in a cottage which had been previously furnished for their occupancy. The wedding is of interest to a wide circle of friends of the newly weds in this city. The groom is the son of Mr. and Mrs. James W. Ray of 403 South Main street. He (Continued on page 4.)

## Bothered by Colds or Croup? Present Coupon to Druggist

Good for One 25c Package Free of the New "External" Vapor Treatment, That Relieves Colds Over Night—Croup in Fifteen Minutes.

Applied Over Throat and Chest, It is Inhaled as a Vapor and Absorbed Through the Skin.

Arrangements have been made for druggists to give away free a limited number of 25-cent packages of the new "external" treatment for all cold troubles, recently introduced here from North Carolina. A number of druggists have already received their shipments and are giving away free packages to their customers. If your druggist has not yet received his supply, present this coupon at once and ask him to reserve you your free package. As the free supply with each druggist is limited it is advisable to present your coupon early.

This new treatment, Vick's "Vap-O-Rub" Croup and Pneumonia Salve, relieves croup and cold troubles by external application. There is no need to dose the stomach with injurious medicines. Its use is especially recommended to mothers with small children, as Vick's can be used as often and as freely as wished without disturbing the delicate stomach of the little chaps.

Apply Vick's over the throat and chest in severe cases covering with a warm flannel cloth. The heat of the body releases soothing, antiseptic, vapors that are inhaled with every breath at the same time Vick's is absorbed through the skin, taking out the tightness and soreness.

For all bronchial and catarrhal troubles, sore throat, hoarseness and difficult breathing, this new treatment will be found wonderfully effective. It is a positive preventive of pneumonia in its early stages, and in advanced cases the medicated vapors invades loosen the phlegm and ease the difficult breathing.

The local druggists are selling this new treatment in 25c, 50c and \$1.00 jars on 30 days' trial. With each purchase there is given a refund blank good for your money back if you are not delighted with the results.

Mothers especially should not delay in getting their free packages. Remember, this coupon is good only if presented in person to your regular druggist. No coupons presented by children will be honored.

Among the druggists who are giving away free packages are the following: Orear-Henry Drug Co., Koch Pharmacy.

### Coupon No. 7.

Good for one 25-cent package of Vick's "Vap-O-Rub" free, as long as the free supply lasts. If your druggist has given away all his free packages, but a jar on 30 days' trial.

### Penelope's Entertainment.

St. Patrick's day colors and favors predominated last night at a party given by the Penelope club at the home of Mr. and Mrs. A. W. Hawkins. The committee of members in charge of the entertainment was composed of Mrs. Hawkins, Mrs. James Cook, Mrs. Omar Catterson and Mrs. Charles McNeal. Hearts furnished the diversion of the evening, and some delightful German folk songs were given by Miss Clara Myer, with Miss Marie Myer as accompanist. The guests were Mr. and Mrs. S. J. DeArmond, Mr. and Mrs. R. H. Duncan, Mr. and Mrs. James Cook, Mr. and Mrs. Charles McNeal, Mr. and Mrs. U. S. Wright, Mr. and Mrs. J. E. Melvin, Mrs. W. J. Staples, Mrs. J. M. Smith, Mr. and Mrs. B. ### Club Holds Interesting Session.

The meeting of the Tourist department of the Twentieth Century club, held yesterday afternoon at the home of Mrs. Charles Bellows, was a session filled with interest. Mrs. E. G. Orear was leader. During a short business meeting a unanimous vote was given for a continuation of the study of Japan next year. The study of the afternoon was devoted to the women of Japan. "Japanese Girls" was the subject of a reading given by Mrs. R. W. Pettit, and "The Position of Women in Japan" was given by Mrs. W. R. Jack. Mrs. R. L. McDougal gave two oral readings on the subject "Theod, clean man and needs this New and True Japanese Women and how to the misfortune he met Society, Journalism and Club Life of Japan." Mrs. Orear read some selections from "The Lady of Decoration," and also a short story, "So is My Life and an Immigrant." The Rev. Gilbert S. Cox gave four solos from "The Cycle of Eiland," by Alexander Von Flitzel. Mr. Cox was accompanied by Miss Alice Porter. The music was an unexpected pleasure to the members, and was highly enjoyed. Mrs. H. C. Burnett of Red Oak, Ia., who is visiting her sister, Mrs. R. W. Pettit, was a visiting guest.

### ASK FOR REHEARING

Express Companies Assert Present Rates Have Been Disastrous.

Washington, March 17.—Representatives of the American, Adams, Southern and Wells-Fargo Express companies asked leave of the interstate commerce commission to file a petition for rehearing of the express rate case. It declared that the low rates in force prescribed by the commission have been "disastrous."

Commissioner Clark announced that the petition would be received and that the commission would consider the application for a rehearing.

The petition sets forth that the first ten months' operation under the new rates had brought the four companies a deficit of \$2,750,844.

A specific request was made for a hearing and a modification of the commission's general order, "by increasing the terminal allowance from 20 to 25 cents per shipment and reducing the weight allowance from 25 to 20 cents per 100 pounds."

### BEACHEY IS LAID TO REST

Business Is Suspended at San Francisco During Funeral Ceremonies.

San Francisco, March 17.—The funeral of Lincoln Beachey, the aviator, was held here this afternoon. Business was held up for five minutes while the ceremonies were in progress.

Telegrams of condolence continued to be received by Mrs. Amy Beachey, aged mother of the aviator. They came from the secretary of the navy and other prominent persons in various parts of the country.

Beachey is said to have left a fortune of more than \$190,000.

### WIFE GETS DEMOTT ESTATE.

Proof of Former County Clerk's Will Obtained at St. Joseph and Minneapolis.

Although the will of George W. Demott, who died last month, was recorded in probate court February 22, it was not until today that Probate Judge W. H. Conn was enabled to get entire proof of witnesses to the will. It was necessary to send to St. Joseph for the testimony of Albert J. Bronswick, and to Minneapolis, Minn., for that of Charles G. Ferguson, the other witnesses.

By the terms of the will, which was made December 8, 1913, the wife, Belle Demott, gets the entire estate unless she marries, when two-thirds shall go to the three children equally and one-third to the wife. Mrs. Demott will probably be appointed administratrix today.
